....you a  
extremely Nice Prank or you can  
simply say Hack. i.e."How To Call  
Your Friends From Their Own  
Cell Number".  
Mobile hack to call  
your friends:1. Go to mobivox.com  
and  
register there for free account.  
2. During registration,  
remember to insert Victim  
mobile number in"Phone  
number"field as shown below.  
3. Complete registration and  
confirm your email id and then  
login to your account. Click  
on"Direct WebCall".  
4. You will arrive at page shown  
below. In"Enter a number"box,  
select your country and also any  
mobile number(you can enter  
yours). Now, simply hit on"Call  
Now"button to call your friend  
with his own number.  
5. That's it. Your friend will be  
shocked to see his own  
number calling him.  
EnJoY...
