What is included in the silver package?

- 1 High Quality garunteed money making guide to get FREE money.
- Discount on upgrading to the gold package.
- Tips on how to get FASTER cash with this same method.
- Easy to follow 100% noob proof steps on exactly how I do this.

What does this involve?

You will be selling Twitter Followers at no cost to you at all.

---STEP 1---

Make a sales thread on HF or any other forum with a marketing section. Fancy it up with a ToS and prices and packages and contact info.

Here are the exact prices that I use. 25,000 Followers = \$12.00 & 50,000 Followers = \$20.00 go somewhere around that or use the same prices.

---STEP 2---

When someone contacts you to purchase followers you assist them and recieve the payment EXAMPLE: "hey, I am interested in 25,000 followers for 12\$" "Okay please send 12\$ as a gift to _____@_____.com then PM me back after it's sent." "I have sent the money please add the followers to _____<- twitter here" "Okay please allow up to 24 hours to get all of the followers thanks for buying!"

---STEP 3---

Now! Go to <http://www.fiverr.com> make an account (fiverr is a site where they sell services for 5\$ each)

---STEP 4---

Once you finished step 3 you go to this link

<http://fiverr.com/massfollow/get-you-16000-real-looking-twitter->

followers-follow-in-less-than-10-hours-without-the-need-of-your-pass-word
that is a trusted fiverr seller for twitter followers.

---STEP 5---

Once at that link if someone orders 25,000 from you you pay 5\$ out of the 12\$ they sent you to the fiverr seller and order 25,000 followers and paste the twitter link into the sellers notes on fiverr. *HOW TO DO IT FOR A 50K ORDER*: Press order more then one on the fiverr gig and select the number two for 10\$, this will get you 50,000 Followers and you get 10\$ profit from doing no work at all.

---STEP 6---

Now you just wait up to 24 hours and the 25,000 followers will be added to the buyers twitter account. You didn't have to do ANY way work and you got a free 8\$ 100% free money!

~~~~~HOW TO MAKE EVEN FASTER CASH WITH THE SAME EXACT METHOD!~~~~~

---STEP 1---

Go to the member auctions on HF and start an auction for 25,000 or 50,000 followers.

---STEP 2---

If it's 25k followers put the start bid at 5\$ (since that's what you pay to get the job done) and then whatever someone bids is all profit after that!

---STEP 3---

If it's 50k followers put the start bid at 10\$ (since that's what you pay to get the job done) and then whatever someone bids is all profit after that!
