NOTE: shopwithscripe has been controversial among newbie/pros something to take note of is that shopwithscripe is real and will always real but spammed shopwithscripe logs seller are fakes no one will have access to get spammed shopwithscripe and then sells it while you can actually cashout it .

So rules don't trust any shopwithscripe logs sellers all are fakes

No one is real between them , now 2020 method to open up shop with scripe and then cashout
