-----

because the time you were partying, we were busy in hacking

.

the time you were playing, we were busy in hacking

.

the time you were dating, we were busy in hacking

.

the time you were sleeping, we were busy in hacking

.

overall, the time you were living, we were busy in hacking  
#respecthackers

We cant express ourselves face 2 face cuz the time you were interacting , we were busy in hacking..
