

Erotic Domination.

Thank you for purchasing my eBook about E-Whoring. You are about to find out how to earn a lot of money with my own developed method. In this eBook am I going to explain two very unsaturated methods which gave me a lot experience and money. I earned up to +\$800.

Lets get straight into the methods!

Requirements:

- brain
- internet connection
- your ewhore
- some social skills

Scroll to see the next page.

The first method. - Skypeepshow

Steps:

1. Go to the site <http://www.skypeepshow.com>.
2. Click on "Free signup" -> Become a model.
3. After you filled in all the fields click on "Register account" and you will probably get an error like the picture below. Do not worry, you are able to login.

The screenshot shows the login interface of the Skypeepshow website. At the top, there are two error messages in colored boxes: a pink one saying "Empty password not allowed" and a light blue one saying "Please login first". Below these are input fields for "Username" and "Password", a "Remember me" checkbox, and "Login" and "Forgot login?" buttons. A red navigation bar contains links: Home, About site, All Skype Models, WHO IS ONLINE, Model Search, Free SignUp, Webcam Preview, and Links. At the bottom, there are separate fields for "User Name" and "Password" with a "Log in" button.

4. You have been successfully logged in to Skypeepshow. You are on the page "My account". Click on the tab "Movies" and you will be on this page.

The screenshot shows the "My Videos" page. At the top, there are tabs for "My Videos" and "Add New Video". Below is a table with columns: #, Title, Category, Edit, Delete, and Approved. The table is currently empty. Below the table, there is a section titled "Movie trailer conditions:" followed by a list of 7 rules. At the bottom, it says "Enable file format: mp4, flv, 3gp" and "We suggest the **Manycam** program for make video. If you need a converter we suggest the **online converter**."

Movie trailer conditions:

1. Non nudity
2. Not need with face.
3. Only on the place where you give private show.
4. don't appear other person, or animal.
5. With sound, or music.
6. Minimum 30sec. Maximum 2 minutes
7. The Admin compares the movie and your webcam picture.

Enable file format: mp4, flv, 3gp

We suggest the **Manycam** program for make video. If you need a converter we suggest the **online converter**.

5. Click on “Add new video”

The screenshot shows a web interface with two tabs: 'My Videos' and 'Add New Video'. The 'Add New Video' tab is active, displaying a form with the following sections:

- General Settings**
 - Select a Category**: A dropdown menu with the text 'Select a Category' and a downward arrow.
 - Title**: A text input field.
 - Description**: A large text area for entering the video description.
- Video Input Settings**
 - Type**: A dropdown menu with 'General Upload' selected.
 - Video**: A button labeled 'Bestand kiezen' (Choose file) next to the text 'Geen bestand gekozen' (No file chosen).
 - HD Video**: A button labeled 'Bestand kiezen' (Choose file) next to the text 'Geen bestand gekozen' (No file chosen).
 - Thumb**: A button labeled 'Bestand kiezen' (Choose file) next to the text 'Geen bestand gekozen' (No file chosen).
 - Preview**: A button labeled 'Bestand kiezen' (Choose file) next to the text 'Geen bestand gekozen' (No file chosen).

6. Add a video of your E-Whore, I recommend using a non nude video which is about 2 minutes long, something like a regular dance. If you upload a nude video, you probably get declined but I got luckily accepted with a dance which was topless. Do not forget to fill in the description and title. Put something in the title like: “Horny young girl” and in the description, just describe how your e-whore looks and what she is up to. It does not matter if you fill in some fake information like “I have got all kind of different toys” while you haven’t got it.

7. After you have saved the video, go to “Your add” and click on “Post add”.

Scroll to see the next page.

8. You will be on this page right now. Just fill in everything, make sure your minimum send and price are the lowest option. This will be good for the adds you get later. After you have done this do not save it yet!

Tips and Tricks.

Talk dirty and say something like: "Would you like a show bb?:*" bb stands for babe.

You could also go on some datingsites, almost all of them work but it does require a lot of social skills!

How to avoid PayPal claims? Always ask if they could send it as a gift! If someone chargeback, you need to say to PayPal that he paid for an erotic show on Skype. PayPal does not accept adult payments so you will get the money.

Do not talk about your school/books etc. Just get right to the point like this: "Hey babe, would you like to buy a show? :*"
