

How to get passes to pornsites

Disclaimer: Please be of age (18) to view porn and/or try this exploit.

With this tutorial you can get much passes(famous sites) like: Bangbros,Brazzers,realitykings,naughtyamerica etc etc.

Download mIRC here: <http://www.mirc.com/get.html>

Start mIRC you will get this screen:

Full name: Put a name that you want(hasbullah is not my name)

Email address: Put in a spam email that is not yours(people search emails through mIRC to spam your inbox)

Nickname: Choose a nice nickname that you want

Alternative: Choose a second nickname if yours is already chosen and online by a other person.

After go to the option Servers and choose add

Fill in this details:

Description: Porn channel(or whatever you like.

Irc server: Irc.Whatnet.org

Ports:6667

Group: Nothing

Password: Nothing

After adding you will see the server under your choosen description(mine Irc.Whatnet.Org) Double click it then you will come back to the main screen and press there Connect to Server

You will get this notification:

* Connecting to irc.whatnet.org (6667)

-

-irc.whatnet.org- *** Looking up your hostname

-

-irc.whatnet.org- *** Checking Ident

-

-irc.whatnet.org- *** Found your hostname

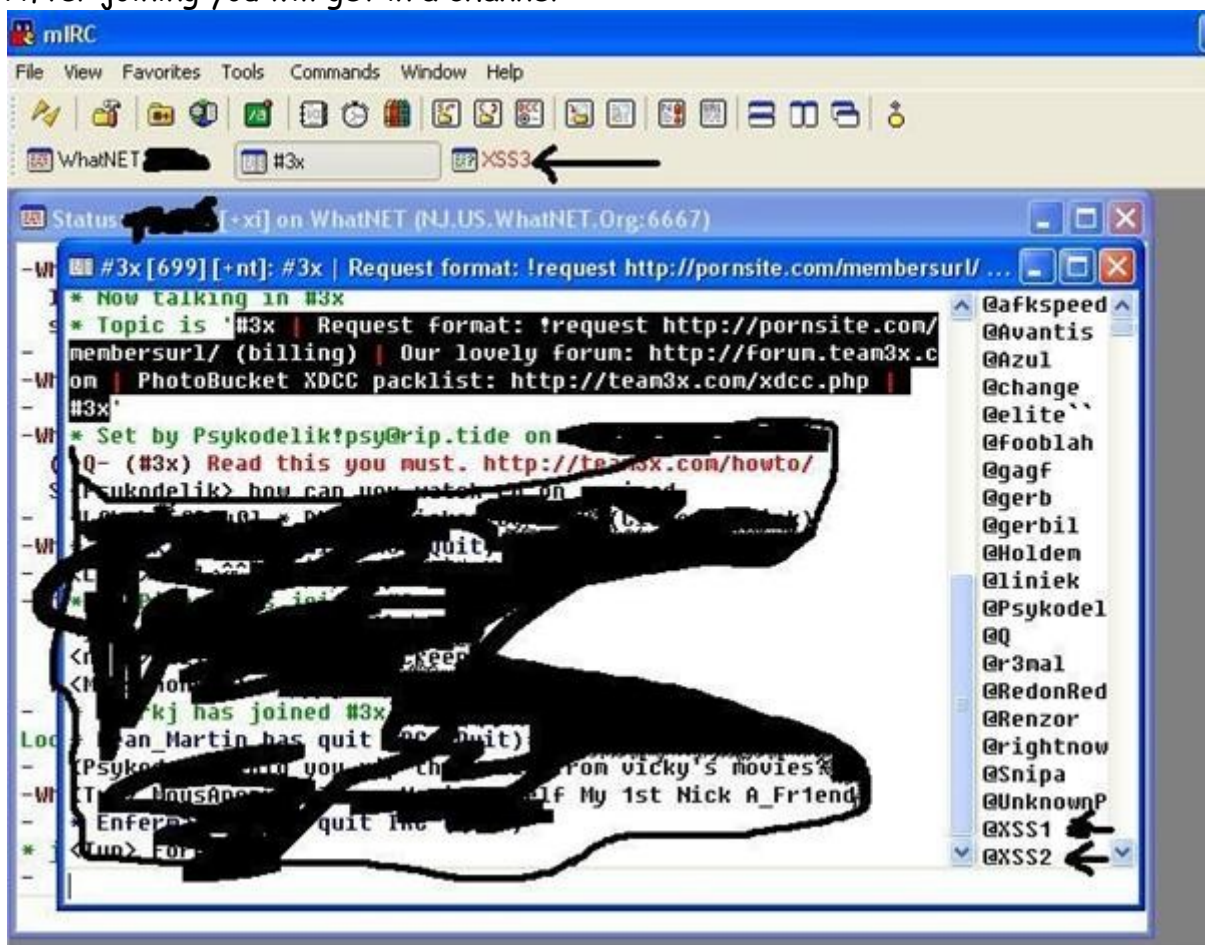

And after this screen will pop-up

Fill in at Enter a Channel Name and click join:

3x

After joining you will get in a channel:

Click the XSS3,1 or 2 if you got in it will tell you this:

Welcome to #3x. Welcome to #3x. Search here for your pass before requesting in main. Go slow: BOT ABUSE WILL GET YOU BANNED

If you got that message you are in the right room

Type: **!search** your site

like:

!search realitykings

Then the bot will automatically respond to you with a pass.
